

Get Cash Back

Upgrade to SellWise Pro 8 and
Mercury Payment Systems®

Upgrade to SellWise Pro 8 and Mercury® payment processing by December 30,
and we'll reimburse you for part of the cost of the upgrade!

SellWise Pro 8 supports all your retail business needs:

- Customizable point-of-sale
- Automatic item and customer tracking
- Product images
- Configurable POS Hot Keys for fast lookups
- Automated messaging and up sell functions
- Built in tag and label designer
- All the reports you'll ever need
- PCI compliance to keep your data safe

Our direct integration to Mercury Payment Systems simplifies card acceptance at the point-of-sale:

- 24/7 MercuryLive™ customer services and technical support
- MercuryGift® unlimited free gift card transactions
- MercuryStand-In™ continuous processing during network outages
- MercuryDiagnostics™ payment processing troubleshooting tool
- PCI Partner Program compliance resources for merchants
